

Curriculum Vitae

Florian Loidolt

Department of Behavioral Physiology and Sociobiology (Zoology II)

Biozentrum, University of Würzburg

Am Hubland, 97074 Würzburg, Germany

Phone: +49 931 31 82398

E-mail: florian.loidolt@uni-wuerzburg.de

Academic Education

- 02/2021 - **PhD Student** | Julius-Maximilians-Universität Würzburg, Germany
Topic: The molecular mechanisms underlying local adaptation to high elevation habitats in the honey bee *Apis mellifera*
- 04/2018 - 09/2020 **Master of Science (Biosciences)** | Julius-Maximilians-Universität Würzburg, Germany
Focus: Animal Ecology, Tropical Biology, Behavioral Physiology, Sociobiology
Thesis: "Analysing olfactory cues and other factors influencing bee mortality underneath *Tilia* trees"
- 10/2014 - 03/2018 **Bachelor of Science (Biology)** | Julius-Maximilians-Universität Würzburg, Germany
Focus: Animal Ecology, Tropical Biology, Behavioral Physiology, Sociobiology
Thesis: "Food site selection mechanisms in *Megaponera analis*"
- 07/2014 **A-levels** | Staatliches Gymnasium Hermann-Pistor Sonneberg, Germany
