## Education

Since 01.2023 **PhD Student**  
Julius-Maximilian-University Würzburg  
Supervisor: Prof. Dr. Wolfgang Rössler  
Doctoral Thesis: "Modulation of olfaction by recurrent circuits of mushroom-body output neurons in the honeybee"

10.2019 – 12.2022 **Master of Science** in Biosciences (overall grade: 1,1)  
Julius-Maximilian-University Würzburg  
Major subject: Behavioral Physiology and Sociobiology  
Master Thesis: "Analysis of mushroom body synaptic circuits in the honeybee brain" (grade: 1,0)

10.2016 – 09.2019 **Bachelor of Science** in Biology (overall grade: 2,0)  
Julius-Maximilian-University Würzburg  
Major subject: Behavioral Physiology and Sociobiology  
Bachelor Thesis: "Tardigrades: can they learn?" (grade: 1,0)

10.2015 – 04.2016 **German Language Courses**  
F+U Academy of Languages, Heidelberg

09.2009 – 06.2015 **Secondary School Abitur** (overall grade: 1,1)  
Pascal English School Larnaca, Cyprus
